

**REMARKS**

**Claim Rejections**

Claims 5 and 6 are rejected under 35 U.S.C. § 102(b) as being anticipated by Chen (U.S. 5,065,836). Claims 7-9 are rejected under 35 U.S.C. § 102(e) as being anticipated by Liu (U.S. 6,767,734). Claims 1-4 are considered to be allowable over the prior art of record.

**Drawings**

It is noted that the Examiner has accepted the drawings as originally filed with this application.

**Claim Amendments**

By this Amendment, Applicant has canceled claims 5-9 and amended claim 1 of this application. Claim 1 was amended to add a period. It is believed that amended claim 1 now specifically sets forth each element of Applicant's invention in full compliance with 35 U.S.C. § 112. Claims 1-4 are allowed.

Since only allowed claims 1-4 remain in this application, no detailed discussion of the cited prior art references is believed to be necessary.

**Summary**

In view of the foregoing amendments and remarks, Applicant submits that this application is now in condition for allowance and such action is respectfully requested. Should any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, it is urged that Applicant's local attorney be contacted at the exchange listed below.

Respectfully submitted,

Date: March 17, 2005
